International It's a Knockout - Silloth-on-Solway 2007

see photos on the website

It's a Knockout visited Silloth again after organiser Peter Gilmour managed to receive financial support from Silloth Festivals Ltd, S.O.S.C.S. and Silloth Rotary.

A full compliment of children's teams competed on the Saturday and the adults teams competed on the Sunday. Although fun was the main order of the day, many teams also raised money for their favourite charities. The team from Silloth Surgery raised £275 for the Air Ambulance, and enjoyed it so much they are getting into training for 2008. Staff who didn't compete each gave £5 and many patients also contributed.

Junior winners were The Abba Crew sponsored by Holm Abbey Construction. The adult winners were Silloth Football Club.

Free Cigarette Bins

The government has recently introduced laws that ban smoking in enclosed public places. This has driven the problem outside, but here too, both businesses and smokers can still fall foul of the law. To help, Allerdale Borough Council have a number of wall mountable cigarette bins to give away free.

These bins are available only for public houses, nightclubs, private members clubs, and betting shops, as there is a limited supply.

Relevant businesses will have received letters with a leaflet offering the bins. Only one per premises can be supplied on a first come first served basis. If any public house, nightclub, private members club or betting shop has not received a letter and would like to register for a free cigarette bin, they should phone the Environmental Health department on 01900 702590.

Any premises not targeted as part of the campaign that would like a cigarette bin, would be taken on a case by case basis. Agreement to provide a bin would depend on whether there is a significant litter problem relating to it.

DIRTY SENSOR?

All DSLR cameras are at risk of letting dirt in while changing lenses. Now you can have your sensor cleaned locally, saving postage, time and money.
