

Editor Resigns

It was with much regret that Denise Pattinson, the founding Editor of the Solway Buzz, resigned last month. Because of personal and other commitments Denise could not find the time required to continue. We will miss Denise very much and wish her all the best.

WE NEED YOUR HELP

Rather than ask anyone else to take on the mantle of Editor, we have decided to appeal for lots of people to provide regular articles. We are open to suggestion as to what may be suitable, one person may be able to give a monthly report on a local organisation, where another may supply random articles of varied interest.

If you want this paper to continue and to be interesting, lots of local input is required. That means we need your help.

Articles do not have to be polished grammatically or with perfect spelling, the computer sorts most of that automatically. What is needed is lots of rough items to be submitted. Our contact details are on page 2.

Letters

We could never have imagined the disbelief and desolation we would feel at the loss of our beloved son Robert.

The support we have received from our wonderful family and the good and kind friends of both Robert and ourselves is helping us to cope and come to terms with our loss.

Thank you to everyone for all the flowers, cards and letters of condolence we have received, they have been of great comfort to us. A special thank-you to everyone that helped in the Beer Tent, Fausto and Christine, members of the Silloth & District Business Association, Mr Scott and the Reverend Johnathan Falkner, all of who's help has been invaluable.

Joe & Joan Bennett

The members and friends of Abbeytown Methodist Chapel would like to say a big thank-you to the Men's Choir of Silloth and Causewayhead Churches, for the splendid concert they gave in the Chapel.

Also thanks to Mr Hall, pianist.

Supper followed and everybody enjoyed both.

£104 was raised for Chapel funds, thank-you once again.

We hope to see you again.

Susan Graham

Christ Church Clock

We all look up at the clock on Christ Church in Silloth without giving a thought to the fact that the time is always correct.

This doesn't happen by accident. Twice a year, and at other times when there has been a lightning strike, Mr Arthur Bragg undertakes the long climb to the clock workings to re-set everything.
