New Shop for Silloth

Regalo, a new gift shop for quality collectables and Italian giftware has opened in the premises vacated by the Anne o' Bells hairdressing salon.

This valuable new addition to the town has some beautiful and striking items which are bound to delight both visitors and locals alike. Christine tells me that with a large selection of items selling from only £5 each, she intends to carry merchandise which will be of very high quality at very attractive prices.

If, like me, you did not know - Regalo is Italian for gift, obvious really!

Phoenix enters Silloth Dock

Large crowds gathered around the entrance to the Docks at Silloth to watch the sailing ship Phoenix entering at 1pm on Wednesday 26th June.

The very blustery weather did not deter anyone they were full of admiration for the beautiful boat as she came in. Unfortunately, the heavy weather did not allow local ships pilot Bill Amyes to come in under sail, but nobody seemed to mind.

Silloth Kite Festival

It's back! After the disruption caused by foot and mouth the Kite Festival is back in Silloth on Saturday 13th & Sunday 14th July.

What a Funtastic Year

What a season of events we are having this year. 2002 is definitely the most exciting year ever for activities around this area. In addition to the town carnivals in Abbeytown and Silloth and the other events in all the local parishes, the Silloth Sea and Ships week at the end of June brought many events to the area we had never seen before. We still have the International Kite Festival and the International It's a Knockout to look forward to!

Start of the Abbeytown 5 mile road race
