Tip for the Top

Waves and curls are the must have look this summer. With new techniques, natural looking volume, texture and movement can easily be achieved in the salon.

- To make the most of waves use Clynol Curl Boosting leave in spray, apply to damp hair to help define and shape waves and curls.
- Use a Diffuser attachment when blow drying. For best results always set your dryer on a low heat and speed setting.
- Work Clynol Sleek Serum to calm yaway hair.
- Never brush curls use an Afro comb or your fingers.
- Curls need moisture so apply Clynol Intensive Treatment regularly.
- Define individual curls with Clynol Soft Wax.
