Fund-raising for Solway Mexico Link

Recently members of the Solway Mexico Link visited Morrisons Supermarket in Carlisle to raise money for the link project. Every one involved worked extremely hard

and by the end of the day £750 was raised. This is the second time we have visited Morrisons and would like to thank the staff of Morrisons and their customers for continuing to support our project. The young people

involved are excellent representatives for our community and through out the day we received many compliments on how pleasant and helpful they are.

Fund-raising for the Solway Mexico Link project is

now well under way and we are very grateful to the Silloth Town Council, the Silloth Rotary Club and the Neighbourhood Forum for agreeing to sponsor us in this project.

If you feel you can help us raise funds for this worthwhile project please contact Julia Cooper at Solway Community School.
