Silloth & District Community Transport

The S.A.D.C.T. has a committee of nine, who meet approximately every 3 months. We operate as a registered charity and a company limited by guarantee, our registered office is the Community Hall. We are also a member of the Community Transport Association.

With a full year gone by as a registered charity, Silloth & District Community Transport has enjoyed much success. The arrival of our new bus in March being the biggest success by a long way.

We were relieved and grateful that Silloth Nursing Home offered both parking facilities and the venue for the official launch day, which was well attended.

The bus is spacious and comfortable. Local usage at times has been rather below expectation. There have been times when the

bus has been available for a few days then other times when we could have had two buses on the road. We have made some use of the West Cumbria Brokerage Scheme, where out-of-town organisations have used our bus. We owe a great deal to the volunteer drivers who have given their time and skills to benefit our user groups. We welcome any other offers of help anybody can give. We have a temporary vacancy due to maternity leave, of 'Secretary' to cover four to five meetings, offers of help would be most welcome.

Regular users are very much appreciated and local people are welcome to join the bus for the weekly Luncheon Club. Details are available from David Pigeon on 016973 31295. Library transport details are available from Lawrence Marshall on 016973 31257. So far

there are a total of eleven groups registered to use the bus. The total bookings by these groups was 150 covering 4,713 miles. For all bookings please contact Rachael on 016973 32679.

Our A.G.M. to which all interested members of the public are invited is scheduled for Monday 19th May 2003 in the Silloth Community Hall at 7pm.
