## Solway Mexico Link

Time is now passing very quickly and the first part of the exchange project is now only a few weeks away.

The support this project has had and continues to have from the community is marvellous. Recently all who are travelling to Mexico on this first exchange took part in a "Team building" activity, it was of course time for the necessary inoculations! Our thanks to the Silloth Practice Nurse for organising this and putting up with our en-mass arrival

## First Silloth Brownies

The First Silloth Brownies took part in the Family Service at Christ Church on 2nd March.

The service was organised round the theme of Jesus the Son of God and the Brownies took part by giving readings at two places in the service and by reciting their Brownie Promise.

The address in the service was given by David Pigeon, one of the readers at Christ Church and the service was lead by Rev. David Byrom, who has recently arrived in Silloth as the Vicar of Christ Church.

## Silloth Childcare Centre

A public meeting was held on 5<sup>th</sup> February in The Discovery Centre to determine the need for a purpose built child care centre in Silloth. More than 30 people turned out for the meeting and many more expressed an interest for the future, proving this is a very much needed facility for the families of Silloth.

A lot of the background work has already been done for this project and since the meeting people have put their names forward. A steering committee will now be

formed to move the project to the next stage. The centre will benefit all parents from Silloth and surrounding areas looking for quality child care.

Thanks to The Solway Discovery Centre for hosting the event and providing the refreshments.
