BEN AND AIMEE HAVE THAT CHAMPION FEELING!

The parents of Ben Gribbon and Aimee Gray would be best advised to invest in shares in Brasso in the next few years as it looks like their children will be filling a mantelpiece or two! They are the club's youngest ever champions after our inaugural Mini Tennis Red championships took place on Sunday 3rd August and, just for good measure they followed up their success in the singles with victory in the doubles competitions with their respective

The Team

partners Adam and Hannah Story.

Mini Tennis Red is the successor to short tennis and is seen as the first stepping stone on the path to playing the full

game and for most of our competitors it was also their first venture into the competitive arena.

On a warm and sunny day the standard of play and the length

of some of the rallies was astounding with the match of the day being the doubles duel between Aimee and Hannah and Bethany Hodnett and Emily Wise which the future

champions won 10 - 8.

The afternoon was rounded off with a prize giving ceremony where trophies, medals and certificates were given out.

A special mention must go to Billy Charters, Katie Smith and Rebecca Farish for continued improvement, to Adam Story and Emily Wise, (both 6 years old) for taking home silverware in a competition for under eight's and to our helpers and umpires David, Shirley and Joe Smith, Isaac Cork, Dawn and Lorraine Graham, James Gribbon and Charlotte Charters.
