Solway Autograss

have race meetings most months on Silloth Airfield

plus Trawler Race and much, much more...

**New SPAR
is OPEN**

Carol Carr, Lynn Henderson, Stan Foster, Judith Foster & Louise Hinde

After being closed for 10 weeks for a major refurbishment, Silloth SPAR Supermarket is now open.

Stan and Judith Foster feel that after 25 years it is an appropriate time to extend their store and to provide new departments and extra floor area for their extensive range – complete one-stop shopping.

Stan said "our principal objective is to offer the very best in store standards with new flooring, lighting, a complete range of the latest in refrigeration and improved service. Our local customers come first!

Yes, we need our seasonal business but our regular custom throughout the whole year is the reason we have been able to take on this expansion. Our aim is to improve all parts of our operation

making shopping in our SPAR store a pleasant experience. For example, queuing at checkouts is a real bind so we have installed an extra till.

The Serve-Over area (Fresh Meat, Deli, Home-Baked Bread, Pies and Cream Cakes) is the heart of our business and we are extending this by introducing a brand new Hot Food To Go counter.

People are drinking a lot more wine these days so we are offering much more variety with permanent special offers that are as good or better than other stores. My own personal favourite new feature is a large walk-in Chilled Room for beers, white wine and soft drinks, they are ready to drink! Extra space for chilled drinks means more special offers and better prices.

Judith, the staff and I are really looking forward to welcoming back our

old and valued customers and hopefully some new ones!

Pictured above with Stan and Judith are the well known faces of the Store's management team who have 35 years service amongst them. Lynn Henderson is in charge of the Serve-Over department which entails ordering and preparing Fresh Meat and Cooked Meats, including SPAR's famous own-roasted Ham. Carol Carr, our longest serving member of Staff, will look after Staffing, Computer and Office Duties. Louise Hinde will ensure that things run smoothly on the shop floor and keep those shelves full!

Stan said "we have always prided ourselves on our helpful, friendly staff and that coupled with our new refurbishment, we believe, makes SILLOTH SPAR as good as it gets.

CUMBRIA
Community Foundation

This edition of the Solway Buzz is dedicated to Cumbria Community Foundation with grateful thanks for the very generous financial support they provide to the Editor and the very many volunteers (over 90 people) who make production and distribution of the Buzz possible.

Our wee paper is very much a community paper, you provide the articles and photos, the Editor puts it all together and the advertisers provide the cash required to pay for the printing each month. It's a dream team!
