Beer Festival

continued from page 1...

There will be changes to the Festival, possibly including a name change to avoid mix-ups with the previous situation, but it is intended that we will keep most of the original features.

The Beer Festival will still be for everyone!

There will still be a Pensioners Party, a kids Disco, the Karaoke competition, and we will have a wider selection of music tastes than ever before. There is one thing however, that it all depends on - and that is the support of the people of Silloth. Not just to come and spend money, we will require lots of volunteers nearer the time to help man the event. Many of those who volunteered in the past have said they will help again, but, there are never too many volunteers. Nearer the time we will call for your help.

We will also be approaching all local businesses as before to advertise in the Beer Catalogue and to sponsor barrels. As before this will be very good value.

Would anyone with any ideas or requests of things they would like to see included in the Festival, or who would like to register their interest in helping, please leave a note in Oakleaf Hardware in Eden Street, Charlie Harrison will be delighted to receive all your requests to give us more ideas. If you would prefer, you can email any messages to beerfest@solweb.biz and I will pass them onto everyone else who is involved.

We have an amazing amount of work to do in a very short time, normally the committee starts work on the next

More than just a fantastic selection of tasty beer, also good craic and music

All ages really enjoy the activities for all four days

Festival shortly after one finishes, and they know what has to be done. Be assured, the new committee will do their very best.

Should anyone have lots of money to spare, we do have to find some £27,000 to get this off the ground, so any financial help will be very gratefully received.

This has always been an event the town has supported well and we trust we will continue to receive support and help from everyone.
