

## RNLI College Opening

Report by:  
Shirley Morris

Charlie and Shirley Morris would like to thank everyone who attended their Social Evening on 27th, May at the Silloth Social Club.

Charlie and Shirley organise these evenings once a month bringing people from near and far.

The most important objective being , to raise money for local charities in the Silloth community. The evening kicks off with a game of bingo organised by Shirley and Heather who also sell tickets for the evenings draw. Thanks go to Gary our compere for the evening and Bingo caller.

Thank you to Alan who free of charge prints

Peter Gilmore receiving the cheque for £370 on behalf of the First Responders from Shirley & Charlie Morris with Donna Reid also present

admission tickets and also makes the posters to advertise the monthly events, thanks also to Chick and Alex for the mock bid of a bottle of whisky, the money made on this helped Swell the Money donated to First Responders.

This was our second Social Evening for charity the first being in April where the

monies from that – and the May evening added together gave a grand total of £370. In April we were entertained by the brilliant voice of Ken Morrell.

In May, Donna Reid who hails from Motherwell came, she had a marvellous voice and also threw in some good jokes. The next Fund Raising Event

will be held on July 1st with the Singer being Jeff Lee from Blackpool, he went down great with the crowd last year and is bound to be very entertaining again.

Thank you all so much and big thanks to all who donated prizes for the draw, but let’s not forget the Social Club for their unfailing help at all our Charity Evenings.

Dear Buzz,

I am one of the flood victims from Carlisle and am here until September. I am a runner at a very easy pace and would like to know if anyone in the Silloth area would be interested in accompanying me a couple of times a week. I can be contacted on 079 6160 8210 or 079 2984 9998.

Smiling

Unknown author

Smiling is infectious  
You can catch it like the flu  
When someone smiled at me today  
I started smiling too

I passed around the corner and  
Someone saw me grin  
When he smiled I realised  
I passed it on to him

I thought about the smile and  
Realised its worth  
A single smile like mine  
Could travel around the earth

If you feel a smile begin  
Don't leave it undetected  
Lets start an epidemic  
And get the world infected

Always look on the bright side  
of life and smile
