Police Report

Report by: Insp. Dave Barr

Silloth has again shown that it can run and manage major events, such as the Carnival and the Beer Festival. These all passed off with the absolute minimum of crime or disorder.

Silloth Fire Station has now received the official seal of approval: for use by the Police as an operating base. It was first used on Carnival day. On the 6th November PC Robertson held his first "surgery" between 2pm and 4pm. He said "there was a steady flow of people

through the doors, some to report matters, and others having a look to see what we were doing in the Fire Station. It went well."

The plan for the future is to hold a surgery there on the first Monday of each month, between the times of 2pm and 4pm. People will have the opportunity to speak to PC Robertson about matters that are affecting them, which were not reported as an emergency. The timing of the surgery also gives PC Robertson the opportunity to take to the town council meeting

any matters which may be relevant to the council. PC Robertson will be advertising the surgeries in various shops throughout Silloth and in the Buzz diary.

Finally a note on general crime trends throughout North Allerdale. In the past six months there has been a slight fall in the number of crimes reported to us, whilst we are increasing the number that we are detecting.

As this is the last Buzz of the year, I wish you all a Merry Christmas and a crime free New Year.

Charity Dances

Shirley & Charlie Morris of Seacote Caravan Park would like to thank the people of Silloth and all caravan holders on every site for their generous support and donations while raising money at our monthly Charity Dances.

We have been able to donate £780 each, to the Silloth Lifeboat and Silloth Carnival. A very big thank you to Joan Bennet for the delicious trifles she made free of charge for our end of season dance held on 13th October.

Tickets went like wildfire, so lets hope more people will support our monthly charity dances during 2007.

Finally Charlie and myself wish everyone a Merry Xmas and Happy New Year and look forward to your company in 2007.
