

## Solway Community Technology College ~ Art & Design Show

Report by: Emma Addyman  
Head of Art & Design

Students at Solway Community Technology College pulled out all the stops at their annual Art & Design Show on Tuesday 19 June.

Every year, the College throws its doors open to give visitors the chance to see the diverse range of work produced by Year 11 students studying GCSE Art & Design.

One of this year's highlights was by Silloth resident, Victoria Robinson, 16. The sixties style shift dress, made entirely out of sweet wrappers was the culmination of eight week's of hard work including a final ten hour exam. Based on the

theme 'wraps', the work was a colourful creation! She said: "I'm really pleased how the final piece has turned out. It's taken a lot of effort but it's been worth it. Next year, I'm studying art at Carlisle Institute of the Arts. My GCSE Art has been good preparation for the next level".

A particularly thought provoking piece of art was created by Rachel Bewick. Her black and white paintings explored the issues of obesity and anorexia,

inspired by the work of artists Jenny Saville and Barbara Kruger.

In total, 16 students exhibited their work at the Art & Design Show, with a broad range of techniques, influences and outcomes on display.

Head of Art & Design, Emma Addyman, said: "The

Art & Design Show was the ultimate showcase of our students' work. It was a great chance for families and friends to see what they have achieved during their studies."

## Open Door Group at Vintage Rally

Report by:  
Sarah Hansford

The Open Door Group was established in September 2006. More than forty people and children regularly attend our free lunch on Tuesday's at St Andrew's Hall 12 noon to 1pm. Only voluntary donations are accepted.

During the Vintage Rally Weekend, the Open Door Group had a stall on the green. We had some home baked bread & cakes for sale as well as a tombola, a table top sale, and a competition to guess the number of Jelly beans in a jar.

Kia Jamieson receiving Jelly Bean Prize from Margaret Read

The winner of the jar of jelly beans was ten year old Kia Jamieson from Brampton. We raised £513 towards a

hot cupboard and had a great couple of days.

The Open Door Group sends a big thank-you to all who gave things for the stall and all those who helped on both days. We are very grateful to the Silloth community for supporting our group. Everyone please note we are closing for a two week break from 25th July to 6th August. We will be re-opening on 7th August. All are welcome.
