Vintage Rally

On the Green, Silloth-on-Solway, Saturday 19th and Sunday 20th June

These pictures from the 2003 Silloth Vintage Rally show just a few of the attractions to be seen at this FREE event. As well as all the displays, there is also a Crafts Tent, Beer Tent, Donkey Rides, Steel

Band, Auto Jumble and much more. Also, this year there is a Music Festival in Silloth's Pubs and Clubs on the Friday and Saturday evenings, and it is all FREE ENTRY. Never before has

there been so much to see or do at the Vintage Rally. More details on page 9!

Please don't pick the daffodils!

Report by: Meg Kingsbury (11) and George Enderby (11)

The daffodils on the Green makes Silloth look beautiful, but what really gets to us is watching family's picking them. When visitors come, all

they can see is dead daffodils on the floor, or stumps in the ground. At TOPO Saturday club, we have learnt how to make daffodils. It is really easy and they look fantastic! Every child made some for Mothers day, and

the mothers were very pleased! We really want Silloth to look amazing, for not only ourselves but for the visitors who come here for a holiday. So if you want Silloth to be beautiful, **make them, don't pick them!**

Skinburness Hotel

The Skinburness Hotel has new owners in residence

The Skinburness Hotel is now under new ownership, it's new proprietors are: Bill & Ann Howard and their daughter and son-in-law Karen & Stuart Ridley, they have all moved to Skinburness from the lovely County of Cornwall to our own quite different but no less lovely County. With them they bring

an extensive knowledge of good cooking to tickle our taste buds, and an extremely high standard of customer service, by combining these qualities with a very friendly and welcoming atmosphere they intend to have the perfect partnership. The Hotel is now open for the following: Conferences, all types

of Parties, High Tea's and much, much more. Food is served all day from new and exciting menus in the Bar, the Restaurant and a Carvery for Sunday Lunch. Fresh local produce is being used throughout. For more information about any of the above contact the Skinburness Hotel on: 016973 32332.

Abbeytown Flower Club

Mrs Ruth Pinguey asked members to give their names for the trip to Holker Hall Garden Festival on 4th June, she then introduced Richard and Kathryn Rawson. Richard gave a really interesting talk about how he came to be a craft potter and various techniques different people use to create such a diverse end product. He showed slides of some of the beautiful pots made by a variety of people and also slides of a Raku kiln. He invited us to an

open day to be held at Rawson Pottery, Moss Side on 10th October for a chance to take part in some "instant" Raku pottery making. Gladys Temple thanked him for an enthralling evening. Tea and biscuits were served while the competition for a spring flower was judged. 1st Audrey Harrison 2nd Joyce Wilson 3rd Phyllis Dockeray. The draw prizes were won by 1st Ruth Pinguey 2nd Nolene Foster 3rd Margaret Garner. Jackie

Barker will demonstrate the Alexander Technique at the next meeting, the competition will be a flower card.

Choir

Wigton Choral Society

Wigton Choral Society are singing Elgar – The Music Makers and Holst – Hymn of Jesus in St. Mary's Church, Wigton on Saturday 19th June at 7:30pm. Tickets are available on the door at £7 with children at £2.

Abbeytown W.I.

President Gladys Temple welcomed visitors from Hallbankgate, Irthington and Holme St. Cuthberts who joined in singing Jerusalem. She then introduced Matthew Festing from Sothebys who examined small antiques brought by members. He gave a very witty entertaining description and valuation of very diverse objects. Some members were pleased with the valuations while one or two were disappointed.

The winners of the competition were visitors Jean Richardson from Hallbankgate & Jean Clark from Irthington and Abbeytown's Peggy Garner and Phyllis Dockeray for antiques chosen by Matthew. The spring flower winners were Audrey Harrison and Elsie Donald.

A lovely supper was enjoyed while competitions provided by Freda Garner and Margaret Moore were attempted, lots of prizes being won. The business meeting followed after the visitors had made their way home.

Mrs Elsie Foster provided the lovely spring flowers for the Presidents table. Mrs Rigby was expected

home from Wigton Hospital.

Freda Garner gave her delegates reports of the Spring Carnival Meeting. The trip to Hayes Garden World was on 19th May and the annual outing on 19th June will be to Morpeth.

Community Challenge is going ahead doing grid references for every house in the parish and the National Needlework Archive photographs have been sent. The County News was read and various dates noted. Two teams are to be entered for the Outdoor Bowls, Elsie Donald and Margaret Moore were to arrange flowers in W.I. House on 4th May.

We had an invitation to Dovenby W.I. on 13th May and were asked to provide teas for the Fun Run in Abbeytown on June 6th.

Margaret Moore gave her financial report on the March Birthday party which made a small profit. It was agreed to hold our Annual Flower Show on July 28th with Jessie Ostle to be asked to open it. The 11th May Meeting was to be about stroke awareness and the competition is "a knee tray and a flower".

Orienteering Club

Anyone who enjoys being outdoors, enjoys walking or running and can read or would like to learn to read a map should try Orienteering.

West Cumberland Orienteering Club are holding a series of Orienteering events on Thursday evenings throughout the summer. There are courses for all, whatever your age or experience. There

are long, short and beginners courses. You can walk or run round at your own pace, you can go alone or with someone else. Don't worry if you haven't

had much experience at map reading, the beginners course is designed to get you going.

In orienteering you go round the course in your own time. You are not competing directly with others, though

you can compare your results afterwards. You are mainly competing against yourself, trying to improve your performance.

Orienteering is an excellent sport for families from young children to grandparents. You are very welcome to come to any or all of the events, but the first courses are specially designed for

absolute beginners. You can start at any time between 6:30pm and 7:30 pm.

The dates and venues are as shown but it is a good idea to use the club answerphone on the Wednesday to check the final details.

Dear Buzz,

Silloth Childcare Initiative is now in a position to move forward with the long awaited childcare centre. A site has been agreed and plans have been drawn up and will soon be submitted for approval. The centre will accommodate children from birth to 14 years and will include breakfast club, after school club and holiday schemes. Jobs will be created and there will be training facilities. The state of the art environmentally friendly building will have an outdoor play area and all the latest equipment. The project has received support from our local MP, The Local Education Authority, Allerdale Council, Silloth Town Council, Regeneration Partnership and many other organisations and businesses. We will be working alongside both schools.

Meetings are to be held on the third Wednesday

of each month in the Community Hall from 7pm - 8pm. This is a community project for Silloth and surrounding areas. If you feel you can contribute any time towards the next development stage of the project you will be most welcome at the meetings.

Mary Hillhouse

Dear Buzz,
STOP THEM

If you are a computer buff you will know that rubbish coming to you is a real pain. Most of us can stop a lot of it in one way or another. Similarly, the junk mail that we all can receive keeps the bin men busy!! But, what about those unwanted telephone calls? I believe they are originated mainly by call centres. You can successfully reduce the number of calls you get by registering with the telephone preference service.

This can be done either on the internet or by writing or telephoning them as follows:
The Telephone Preference Service
6 Reef House
Plantation Wharf
London
SW11 3UF
Tel: 0171 738 9053
This takes about six weeks to become fully operational and does not stop all calls, but a considerable amount.

Ralph Pickering

Dear Buzz,

The lack of St. George's flags on St. Georges Day last month prompts me to write to you to explain the possibility of a town flagpole sited on the Eden Street, Criffel Street, Lawn Terrace corner, which is more or less the recognised town centre. The town council could then put up the appropriate flags on the various National and Local Festive days etc.

A MAJOR NEW ROOTS, FOLK AND WORLD MUSIC FESTIVAL FOR CUMBRIA 2004

Cumbria has a new major Roots, Folk and World music festival in the shape of Solfest. Taking place over the weekend of 3rd, 4th and 5th September 2004 just outside Silloth, the three day event hosts not only the finest names in contemporary folk but the most happening exponents of roots and dance music crossover, Celtic music's most vital acts, exhilarating world music artists, a healthy selection of up-and-coming singer songwriters plus rockabilly, blues, drumming, the cream of local talent and much more besides.

Appearing over the weekend are the UK's finest folk rock veterans **The Oyster Band**. Since their ground-breaking debut 'Step Outside' in 1986, The Oyster Band have continually pushed back the parameters of the folk rock form, and taken it into previously uncharted waters.

Shooglenifty have managed over the past dozen or so years to create a unique twist on traditional music that has won them an extensive and devoted fan base not only across Europe, the US and Australasia, but as far afield as India, Malaysia and Japan.

Mcdermotts 2 Hours are living legends on the punk/folk and Celtic-rock, being the band that inspired The Levellers to form and recently reformed after a break of 12 years. The band give a healthy nod to their Irish roots.

Croft No Five have gained a reputation as one of the most innovative bands to emerge recently from the British music scene. Their fusion of contemporary Scottish melodies with dance and funk grooves, worldly influences, samples and programming has seen them fill out dance floors wherever they go.

Flook are quite

possibly the most exhilarating purveyors of acoustic fuelled Celtic music in the UK today. Their line up includes some of the British Isles finest instrumentalists Sarah Allen, Ed Boyd, Brian Finnegan and John Joe Kelly.

Blue Horses hail from Wales and have been creating a stir for over a decade now with their own unique slant on folk-rock. Renowned for their showmanship and memorable live performances. Big, brash, bold and ballsy Blue Horses seldom disappoint live.

The Christina Pato Band come all the way

from Galicia in Spain. The fresh young face to British shores, Christina, resplendent in green hair, fronts a full on roots rock band combining sensitive arrangements, silky vocals and a superb stage act full of fun and vigour, (in fact even the odd Santana riff on Gaita - Galician pipes).

Skilda Their ground-breaking music incorporates many contemporary sounds, from pulsing synths and crunching rock guitars to soaring solos which draw on the best of progressive rock whilst at the same time honouring the rich Celtic music traditions.

Cloud 9 are a young all female four piece

from Scotland, whose diverse influences and grounding in Scotland's Folk and Celtic music culture has helped them produce an innovative and evocative sound.

Togmor combine originality and originality in a fast moving electric set that has a wide appeal to fans of Celtic roots music and contemporary folk rock.

Rachel Williams born in West Wales and now living in Cornwall, has, over the last few years, been building a reputation for herself around the UK as an outstanding singer of traditional and contemporary folk songs and ballads.

King Voodoo are an Aberdeen based four piece that for a couple of years now have been helping kick rockabilly into the new millennium. Re-igniting the rock-'n'-roll fire in the belly of Johnny Cash, The Stray Cats and The Meteors.

Megson Live in a leafy suburb of South London and take inspiration from the current wave of New Folk and Bluegrass.

Keiretsu are a 10-piece live band like no other. Formed in February 2000, keiretsu intended to be a 100%-live drum'n'bass collective, but the band soon diversified to incorporate influences ranging from folk to psytrance, breakbeat to funky jazz, ambient to

rock-'n'-roll.

Susan Raven is a powerful performer and a skilled song-smith, a 21st century troubadour with a rich and wide-ranging voice.

Sabari are a multi ethnic four piece who use West African acoustics to produce inspiring music accessible to all.

Lifeboat Station welcomes children from the TOPO Holiday Club

The children of TOPO Holiday Club experienced first hand what it's like to dress up as lifeboat crew... fortunately there wasn't a call out that day.

The small museum within the boathouse showed the children past and present exploits of the Silloth Lifeboat. The children really enjoyed looking around the Atlantic 75 and learning about the roles of the crew.

Most surprising was the weight and quantity of equipment each crew person has to wear.

The children enjoyed a special TOPO picnic lunch in the lookout room and then produced some wonderful art work of the surrounding views. A thoroughly good time was had by all with some youngsters showing interest in being future crew! Watch this space!

Have you ever seen a green flash?

Report by: D. Robertshaw

How enjoyable it is to bid farewell to another day by gazing at a beautiful sunset! The warm glow of the sun provides a spectacle of colours as light passes through the earth's atmosphere. Underscoring this breathtaking event is an unusual phenomenon called a green flash. If the conditions are right, this burst of emerald light occurs at the last moment of a sunset. A rarer event called a blue flash is said to be even more beautiful.

What causes these colourful flashes? Why do they last for only an instant? And why are they so rare? To answer these questions, we must first have a basic understanding of the interaction between sunlight and the earth's atmosphere.

Sunlight streaming down to earth contains all the colours of the rainbow. When this light strikes the earth's atmosphere, the atmosphere acts much like a giant prism and scatters, or diffuses, the light. The extent to which a light wave is diffused, however, depends on its wavelength.

Blue light waves have a shorter wavelength and are widely scattered throughout the atmosphere. That is why the sky appears blue when the sun is well above the horizon on a

clear day. But when the sun is near the horizon – such as at sunset – the sunlight must travel through more of the atmosphere to reach our eyes. As a result, the highly scattered blue light does not reach us. On the other hand, the longer waves, such as red, can more easily penetrate the dense atmosphere. This gives the sunset its familiar red or orange colour.

Under certain conditions, though, a green flash or a blue flash can be seen at sunset. How do these occur? As the last edge of the sun dips below the horizon, the sun's light splits the spectrum like a rainbow. Red light appears on the bottom of the spectrum, and blue light is on the top. As the sun continues to descend, the red portion of the spectrum falls below the horizon and the blue portion is usually scattered by the atmosphere. It is at this instant that the last bit of visible light can flash green. But why green? Because green is the other primary colour in light.

When the sky is heavily polluted, the green flash is seldom seen, and the blue flash occurs only when the atmosphere is exceptionally clear and enough blue light pierces the sky to cause a brilliant flash to appear.

THE STRUGGLE

One leaf on the bare, grey shore
falters then dips, then rises
some more,
Whipped by breezes, tattered
and torn rest for a moment and
again is airborne.
The leaves once so green are
now battered and dry. They
crack as they tumble through
white sand and sky.
Fighting the current, the
weather, the wind, searching
for something yet tossed
without end.
One lonely person asking
"What for?"
A spirit that falters then
rises some more. Whipped by
the world, tattered and torn
wonders for a moment why he
was born.
The man once so young and
eager to fly now shakes as he
stumbles and tries not to cry.
He's fighting a battle he feels
he can't win searching for
something, yet tossed without
end.
One lonely person, one leaf
another shore. Each falters,
each stumbles but each rises
once more.
Each keeps fighting, neither
gives in, I'm searching for
someone that someone I had
found, but I can't let go.
Dear God I'm still hoping I'll
win.

Tip for the Top

Perfect Curls

The way your hair is cut will govern how the curls form. If you have one length hair, you will find the weight not your hair may pull your curls out.

I like to see curly hair cut with a heavier base line and then lots of choppy layers to give the hair natural movement. Some stylists use texturing scissors to take weight out of really thick hair, promoting curl.

I always prefer to use a cutthroat razor, useful products include Clynol Twister which will promote any curl or wave you have. I also like to use a little Clynol Frizz Free to eliminate fuzzy bits.

Solway Autograss Club

Sunday 25 April the racing proved to be very interesting with the first round of the Men's National qualifiers being held. This meeting involved drivers from the entire Dales league. We had an excellent turn out of drivers, not only the Dales league but other drivers from down country as well. Two heats were run involving all classes wishing to race in a hope of making it through to the Nationals which will be held later over two days at the end of July.

SL61 John Hooper from Workington

Final results for Solway drivers 1st place Class 2nd Arthur Cunningham heat 1 and 2, Class 5 heat 1 and 2 Mark Cowperthwaite. Class 3's Dan Jennings who has recently changed from a mark 2 Escort to a Peugeot 205 looked to be going well with a good second place in the qualifiers. However things didn't go quite as well for him in the second heat. The track was now starting to throw up dust and as Dales driver Kev Bowes got a good lead from the rest of the field sadly Dan struggled to see as he came out of the bottom corner and his somewhat pristine car took a good battering as he went through the

posts on the far side of the track. Sadly for Dan that put the rest of his days racing on hold, with rather a lot of bodywork needed to be worked on before he could race again. No doubt he will be spending a lot of after work hours in his garage if he wants the car to be ready for the next qualifying round to be held at Yorkshire Dales home track at Kipling. Next came the usual racing on a somewhat rather dusty track. Problems with the

water bowser brought racing to a halt until a very kind farmer lent us his bowser. As time was getting on it was

SL2 Richard Lewthwaite from Whitehaven chasing YD501

decided not to hold the usual Men's Solway Open race. Apart from Dan taking out the odd post the only other mishaps were a few cars getting a nudge. Maryport brothers Michael and Mark McIntosh with their newly prepared Toyota

Corollas didn't have quite as good racing as they had hoped for, never mind lads there is always next time. Junior Rebecca Hadden had an excellent race in her first heat, leaving the start line in second place well ahead of the boys.

Blackpool Tournament 2004
Silloth Under 10 boys once again had their annual trip to Blackpool, to take part in the North's largest Tournament. Although they did not come back with the trophy, they did Silloth proud, with good displays and six goals against extremely good oppositions. All fifty-one of the Silloth party said that they had enjoyed the weekend and were looking forward to next years challenge.
Brunton Park Finals
Silloth Under 8's and 10's boys both qualified for the quarter finals of the Carlisle Glass Junior Soccer Cup Finals, which were held over the May Bank Holiday weekend. The under 8's eventually won the competition beating Northbank, Warwick and then Yewdale in the final, the result being 4-0 with Patrick Brough scoring a hat trick.
The under 10's progressed to the semi-finals after a 4-0

victory over Carlisle City and then went out to Newlaithes.
Vintage Rally Competition
Once again we will be running a tournament in conjunction with the Rally on the Saturday of the weekend. Please come along and support your local teams.
Manager's Position
After the resignation of Mr J Slack from the position of Men's Football Manager, we now have a vacancy to fill before the start of next season. Anyone interested in the above position can contact any committee member.
May we take this opportunity to thank John for all his hard work and commitment over the years and wish he and Eileen all the best in their new venture.
AGM
This will take place in the Golf Hotel on May 27th at 7:30pm. All are welcome, please come along and support your local club.

Silloth Tennis Club

DAWN & DANEIKA TAKE COUNTY TITLE AS SUN SHINES ON SILLOTH'S PLAY TENNIS DAY

Report by: Ricki T. Racket

Dawn Graham has good reason to celebrate after her success in the county section of the national under 11 junior club league at Windermere. Playing alongside guest player Daneika Borthwick from Scales Dawn displayed her usual prowess around the court and the pair proved that they will be an excellent doubles partnership for years to come as they swept aside the collective might of the south lakes teams. They now go on to represent the club at national level and we wish them the best of luck.
The weather proved to be lucky for the club

as well as our first ever Play Tennis Day turned out to be the hit that we hoped it would be as over 60 people attended what is now going to be an annual event. With the speed gun and ball machine in use, another go at the Bounceathon, a "big un/little un" mini tennis tournament and various quizzes, raffles, word-searches and colouring competitions along with food for everyone it turned out to be an enjoyable and successful day.
Our thanks must go to: Fiona, Lorraine, Sharon and Kim, Scott & Chris Whittle, Nicky & Jamie Longcake, Ricki Sutcliffe, Margaret Snaith and everyone that donated prizes for the raffle.

Winners on the day were:
Fastest Serve: Ricki Sutcliffe
Mini Tennis Tournament: Emily Wise & Scott Whittle
Runners Up: Robbie & Angus Harrison
Quizzes: Georgia Hoodless & Dawn Graham
Colouring etc: Katie Smith, Roy Bervoets, Lisa Bervoets, Hannah Story

front the battle was with Mark Little and Ryan Young who gave us some good racing. Mark finally won the race to the line to get second place.

Class 4. With no SL cars in this class it made a change to have some Class 4 racing from the YD cars. YD25 Andy Nesbitt won the race.
Class 5. Martin Goth also got a black flag for accidentally knocking a Dales driver.
Class 6. YD147 John Tully won with former SL driver WR106 David Widdup coming second.
Class 7. SL2 Richard Lewthwaite continued to have problems with his big cat.
Class 8. SL14 was last on the first lap, however with his skill and knowledge he passed all the others on the final lap to win.
Class 9. SL50 Steve Hartley managed to keep ahead of SL8 Richard Telford who struggled all day.
